Noden Pharma DAC shortlisted for upcoming Pharma Industry Awards 2022

Noden Pharma DAC is looking forward to attending the upcoming Pharma Industry Awards 2022, taking place on Thursday, November 10th, at the new Radisson Blue Convention Centre, Dublin.

Noden Pharma DAC is shortlisted in two categories, Operational Excellence Award and Small Project of the Year Award following implementation of a bespoke Quality Management System led by Loretta Cunningham, Head of Quality, supported by Senior Management and all employees. The project is reflective of Noden's commitment to meeting and exceeding quality standards within the pharmaceutical industry.
